Kent Pack Enough

Here is a serious, official list of things to bring:

1. Computer/laptop
2. Chargers, phone chargers
3. A pillow/blanket/sleeping bag
4. Deodorant
5. An extra set of clothes
6. Your tooth brush and toothpaste. Please.
7. Pen/Notebook
8. Power strips (we will have some, but help us out!)
9. More deodorant
10. Headphones
11. Just making sure you don't forget deodorant

Parking

There is a Visitor parking lot directly outside of the Memorial Athletic and Convocation Center (MACC), very close to the Library and Student Center. It will be free for the weekend. The nearest address to this lot is:

1025 Risman Dr
Kent, OH 44242

If this lot is full, you may park across Summit Rd in the C Center Lot. This is also free. Follow a GPS to the same address to get there, it's right across the street (Summit Rd.).

Once you park, there will be signs directing you to registration in the Library. The library is the tallest building in the county, so just walk to the tall, wide, brick building. Just enter in the front doors and follow the signs. If you have questions, get lost, or just need help, ask anyone with KHE Volunteer shirts (and admire the shirts while you do so).

Minors/Young People/Under 18

REMINDER: If you are 18 or under you need to return a Minor release form BEFORE the event, or we will not let you in. No exceptions. Seriously. No Kidding. Email this to us at hacksu@cs.kent.edu. If you have not received one of these forms from us, email us right now, you dope.

Contact Us

If you have any questions or concerns, or if you need to get in contact with us during the event, please either ask a KHE Volunteer, or feel free to use the following contact information:
